Are you considering becoming certified to the Chain of Custody standards of the Forest Stewardship Council™?

Do you have the in-house expertise to comply with the requirements related to standards?

AB Training has developed an internet-based solution that will:

- **Train** up your staff through **on-line** courses.
- Guide you **on-line** in preparing all your required **procedures**.
- Guide you **on-line** in preparing your FSC **Chain of Custody procedure hardcopy file**, ready for your audit.
- Give you **e-mail support** throughout the whole process.

All of the above can be **completed within a few days!**

No consulting fees, hidden costs or surprises during the preparation phase for your FSC audit. . Your organisation is self empowered to have the knowledge and skills to manage your FSC Chain of Custody requirements in-house.

We also offer a **combination** of the above service and our [FSC trademark course](#), to ensure that you fully understand how to use the FSC trademark
